Richey said that the Rotarians were very impressed with WTLC's Safety Net program that provides a place for victims of domestic violence and human trafficking to get into a safe place immediately before they can be processed into a shelter.

"We are please to contribute to this great program," Richey said.

Accepting the donation was Kimberly Hall Barlow, WTLC Board Chair. "WTLC is especially grateful for this donation from the Fullerton Rotary Club. The hard work and generosity of the Fullerton Rotary Club and its members will help us provide emergency shelter and safety services to hundreds of victims," she said. "Rotary's motto of 'Service above Self' provides an inspiration to all of us who are working to end the tragedies of domestic violence and human trafficking."
