## **Fullerton South Rotary Donates Two Vans to North OC Domestic Violence Shelter Women's Transitional Living Center, Inc. Receives Generous Van Donation**

Fullerton, CA (February 2015) – This month the Women's Transitional Living Center, Inc., a non-profit a services provider dedicated to helping individuals and families escape the depths of domestic violence and exploitation, received a vehicle donation from Fullerton South Rotary to accommodate the transportation needs for survivors and their children.

“I would like to thank the Fullerton South Rotary for their extremely generous vehicle donation to WTLC. It is essential we provide safe transportation services for our survivors and their children. We barely got by with one small vehicle this past year, as our previous van was at its last leg and no longer safe to transport our residents and their children. This donation will provide WTLC many more years of service to our survivors and their families,” explains Gigi Tsontos, Executive Director of WTLC.

Bob Cummins (The Complete Package), Fullerton South Rotarian and Board Member with WTLC saw that transportation was an impediment to the change in Survivors lives. His support led to Fullerton South Rotary's vehicle donation will ensure transportation for school, employment, medical issues, and safety net. A big Shout out to Fullerton South Rotary for the generous donation in helping us to Honor, Empower and Restart the lives of Survivors.
