RDM Golfs to Support WTLC

June 9, 2017—RDM General Contractors hosted their 4th Annual Golf Tournament this week in support of The Women’s Transitional Living Center (WTLC). This is the second year WTLC was the recipient of the company’s generosity.

The fun-filled event was held on Thursday at the Oak Creek Golf Club in Irvine, where over 100 people bid on silent auction items, bought raffle tickets, and—of course—played lots of golf. RDM staff and WTLC board member Renee Aumiller said, “RDM is proud to be a long-time supporter of WTLC. We were excited to turn a fun day of golf into something more to help survivors of domestic violence to heal.”

As the largest domestic violence emergency shelter in Orange County, WTLC helps individuals and families escape the depths of domestic violence and exploitation. The organization’s Advocates support survivors and empower them to recover from their past trauma through programs that focus on housing, supportive services, and prevention. This fall the organization will be opening the doors of The Center, a community space for survivors to meet with Advocates and receive services outside of the shelter setting.

WTLC Executive Director Gigi Tsontos attended the event, and said, “WTLC is so grateful for the support of RDM and all who attended the Golf Tournament this Thursday. Everyone who participated made a difference in the lives of those affected by domestic violence and human trafficking. And getting to spend the day golfing was a nice bonus!”

Save the date for WTLC’s The Center Open House on October 4, 2017, from 4:30-6:30 PM at 201 E. Amerige Ave, Fullerton!
